

Podiatrist Opportunity

Join an exciting and growing team of podiatrists, exercise physiologists and dieticians.

Foot and Ankle Clinics are looking for a motivated and professional Podiatrist to join our team.

The real differences that you will see in a role with our clinics, is a dedication to continued professional development and career progression.

Being a Podiatrist team member we offer:

In House CPD nights (which fill CPD requirements).

Graduate mentoring to help develop our junior podiatrists, and regular meetings to discuss their case loads and conditions.

Digital clinical setting, computerised patient management and orthotic manufacture.

Access to a full digital orthotic laboratory, including the ability to spend time with the designers.

And most of all a supportive team environment, for you to grow and develop into a career professional podiatrist.

For a confidential discussion phone Clinton Abel on 0418 88 74 73, or apply on the link below.
